

Text Envelopes Privacy Policy

Collection and Use of Information

No personal and/or non-personal customer information will be collected or used by any party other than the user of the App.

Disclosure to Third Parties

No customer information will be provided to third parties.

Protection of Personal Information

The purpose of this Text Envelopes application is to track spending habits through transaction information and provide real-time updates on the quantity allocation of your money. All transactions will be manually entered and sent to a user-hosted server over cleartext. No sensitive financial information (e.g. bank account #s, banking credentials, etc) is captured or transmitted at anytime.

Privacy Questions

If you have any questions regarding this privacy policy, you can contact me directly via email at derek84worth@gmail.com
